

# YOUR TIME TO SHINE CAREER MOVES

## START YOUR OWN BUSINESS AND WORK FOR YOURSELF

If you have an idea for a business and you've always put it off, you may want to revisit that idea. The Small Business Administration is a resource you definitely want to check out. The SBA has programs to help you get started planning and also has funding resources available like loans and grants. For more information go to [www.sba.gov](http://www.sba.gov)

## ARE YOU SUFFERING FROM JOB SEARCH BURNOUT?

Feeling overwhelmed or stressed by simple tasks are just some of the symptoms of Job Search Burnout. According to the Harvard Business Review, "The job-hunting process is emotional and comes with plenty of ups (great interviews) and downs (losing a job to another candidate)." If you can identify with this, you're not alone. This is a natural human reaction that many people experience. There are things you can do to combat job search burnout. ## JOB TIP

## THE STAR METHOD

How did you handle a difficult situation at your last job? This is a common question you'll probably get during an interview. This is where the STAR Method comes in and it's your time to shine.

- Situation, describe the problem
- Task, what was your involvement in the situation
- Action, what did you do to resolve the problem
- Result, what was the outcome and how were your results achieved

## BEFORE YOU RETURN TO WORK CHECK OUT YOUR OPTIONS

If you're receiving Social Security benefits but thinking about re-entering the workforce there are several programs Social Security has that can help you work on a trial basis and you won't lose your benefits if the job doesn't work out. For more info; <https://youtu.be/7mmt66Ryeus>
